## **2. General Criteria for Qualification**

### **[Full-time Positions]**

1. PhD degree in relevant area is required.
2. For positions in art, design (including architectural design), and performing arts, applicant with MA degree in related fields may apply. The applicant must prove his/her work meets international or the equivalent standards (Applicant with PhD degree is given priority.)
3. Applicants with exceptional track record regarding academia-industry collaboration, research, work and teaching experience in the relevant field is given priority.
4. Foreign applicants are welcome to apply, in which case their applications may be assessed separately from those submitted by their counterparts of Korean nationality. (Foreign appointees should carry out lectures in English or Chinese.)
